

We desire to see all young people grow and experience what it means to live Bible Based, Christ Centered, and Mission Minded lives in this world. The 2 Year Internship Program of THE ARK Christian Ministries is designed to provide leadership experience, training, mentoring, and spiritual growth while serving alongside of the staff at THE ARK.

This program is designed to help raise up a generation that desires to transform the kingdoms of this world into the Kingdom of God.

This is a year-round commitment with an emphasis on faith building and a mission focused approach to life. The goal of this program is to provide an opportunity for the intern's growth in personal walk with God, guidance towards living as Christ did, and direction towards God's path for them.

Year one of the internship consists of studying and working state-side with the year-round staff at THE ARK. Interns work in a variety of camp ministry areas such as programming, maintenance, outreach, office, food service, hosting, and guest services.

Year two of the internship includes working in a cross-cultural setting overseas where they will be mentored by missionaries in the field. During this time, Inters will learn what it means to live Matthew 28:19-20, which says "Go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."

The program runs annually from early September to mid-August.
