Music

Kim
Shelton

Kim Shelton is the Pastor of Crossroads Learning Corner in Kokomo, Indiana. Her position allows her the opportunity to minister to the daycare staff, as well as providing spiritual support for the families of the 125+ children who attend each day. She also has the opportunity to lead chapel services each week for the children, where she teaches them songs and stories about Jesus.

Kim and her husband Jim have been married since June of 1994 and they have three adult children. Kim is a 1992 graduate of Johnson University in Knoxville, TN, where she received a Bachelor's degree in Church Music and Bible. Kim grew up in the church and served as a worship minister for over 20 years. She served as the Connections Director at Crossroads Community Church in Kokomo for 6 years before joining the staff of the Learning Corner. She loves singing, playing the piano, cooking, and spending time with her family and friends. Kim's favorite passage of scripture is Jeremiah 29:11-13, *"For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future. Then you will call on Me and come and pray to Me, and I will listen to you. You will seek Me and find Me when you seek Me with all your heart."*

Kim has strong ties to **THE ARK** as she spent many years here as a camper, counselor and she served as the dean of the Music, Art and Drama camp week for 9 years. Her parents, Bob and Loretta Collier, met here as campers back in the 1960's and her aunt, Elaine Buchanan was the head cook for many years.

Basket Auction

This year will be our **14th Annual Basket Auction**. This is a fun activity to help us keep the cost of the retreat lower so all ladies can attend. Baskets can be put together by one or a group of ladies. There are several themes you could use for your basket, such as movie night, devotion & quiet time, kitchen, cleaning, gardening, holiday, and the list goes on. We set these up for a silent auction which ends after lunch on Saturday. Throughout the retreat you can check on the baskets to see if you have the highest bid. When the retreat ends you may pay and pick up your basket if you had the highest bid on one.

Classes

Don't settle for being a Christian grandparent - David Wheeler

Our grand- and great-grandkids are living in a strange and decaying culture. But God has placed us in their lives "for such a time as this". What does the Bible say about becoming an INTENTIONAL Christian grandparent... and how do we do that? Let's talk about it!

He Is. . . Names of God from Genesis to Revelation

- E. Anne Ketchen

A contemplative media presentation on the names of God from Genesis to Revelation. Let God's Spirit speak to you as you listen and watch this beautiful and moving compilation of God's names.

Jehovah Rapha: The God Who Heals - Rebecca Leeman

Suffering is. Brokenness is. We are a people in need of healing and restoration. Maybe you need it directly. Maybe it's needed for someone you know. Often it looks different than we think it should. Join us as we take a look at the God of all healing and restoration and how He is at work in us, through us and all around us.

The God who sees me - Mitzi Saltsman

In Genesis 16 when Hagar was in trouble, she reached out to God and He was there. In Galatians 4:9 Paul says that now we know God, or rather, God knows us. He sees us. In our lives today, He still does.
