Core Values

You Make It All Happen!

The numbers in this report represent lives. Lives that God brought to events that THE ARK planned, hosted, facilitated, or someone that THE ARK inspired, influenced, trained, or sent somewhere.

None of that can happen without partnerships with people like you. **Thank you** so much for your ongoing support.

THE ARK is a 73 year old ministry that provides creative ways for people to grow and develop into healthy individuals who positively impact the world in which they live. We exist to create communities of grace everywhere God leads through these four main areas of ministry:
