

The Prepared Camper

Getting My Camper Ready

Thank you for trusting us with your child. We are looking forward to having them at camp!

What to Send? Please work with your child so they will know what is packed. We recommend sending older clothing, comfortable shoes, and other items that are replaceable if they get lost or ruined. Talk with your child about how to manage their belongings in a shared living environment. *A recommended packing list can be found at the end of this document.*

All clothing should be modest. No short shorts/skirts/tight apparel, exposure of underclothing, or two piece/immodest one-piece swim suits/trunks. A covering/shirt must be worn to and from the pool over swim-gear. For safety reasons, footwear is required except at designated times.

What Not to Send? Please see the packing list at the end of this document for a list of what not to bring.

What About Money for Missions?

Most camp sessions will hear daily from our missionary in residence. Campers are encouraged (if possible) to bring cash to give during missions to help support their work.

What About Money for Canteen/Camp Store?

Most camp sessions have a daily canteen time where they can buy one food and one drink item; the majority of items are \$2 or less each. Please bring \$1 bills if at all possible. Some camp store items will be available for purchase at the canteen. Please send extra cash if desired for those items.

What to Expect at THE ARK?

Food: We will have assigned eating times and areas for each camp session. 3 meals a day will be served.

Food Allergies: If your student has a food allergy, it is your responsibility to contact THE ARK Kitchen Staff no later than two weeks prior to the camp start date. We cannot accommodate all allergies. We can provide a menu for the days your student will be onsite. It is possible you will need to supplement menu items for your student.

Sickness: Our policy is to isolate and send campers home who have a temp over 100 degrees Fahrenheit or who are vomiting. If a camper is showing signs of illness, they will be brought to a camp student nurse and screened. Parents will be contacted if pick-up is necessary.

Homesickness: Occasionally, campers have a hard time being away from home. Generally speaking, it is our policy that campers are not allowed to use the phone. It is best *not* to focus on homesickness in your discussions beforehand. If a child becomes homesick, the faculty and staff/interns will work with them to help get them through their homesickness. If that's not possible, a faculty or staff member will notify a parent/guardian.

Bathing/Hygiene/Cleaning: Campers are encouraged to change their clothes, brush their teeth, and keep reasonably clean each day. Campers are asked to keep their living, eating, and playing spaces picked up.

Behavior: Courtesy, listening, respect, good manners and a cooperative attitude are expected of all campers. Everyone must stay on the grounds and abide by the schedule unless excused by the dean. ***For overnight camps, we strongly discourage campers from leaving for ballgames and activities.*** The possession and/or use of tobacco, alcohol, or illegal drugs is prohibited. No food or drink (other than water) is permitted in the cabins/sleeping areas. Physical violence, hazing, and fighting are not permitted. Campers are expected to respect each other and be good stewards of the property.

Pictures: Pictures will be available online through www.thearkcm.org. The link can be found at the top of the home page: click on Summer Camps, then Summer Camp Photos. These will not be available until AFTER your child's session is over. In an effort to protect our campers, we will only post pictures after the session has ended.

Faith Decisions: If your child expresses a desire to accept Jesus and to be baptized, the dean will call you to discuss the decision. Baptisms typically occur on the last day of camp. It is THE ARK's policy that children under the age of 18 must have at least one parent's/guardian's permission to be baptized at THE ARK. Specific information about baptisms and times TBD.

While Your Camper is Gone

There is one very powerful thing that you can do for your child while they are gone – **pray**! Pray for your child's spiritual development and health while they are away. Pray for THE ARK staff and faculty.

When Do I Pick Them Up?

Most camp sessions will check-out at 4:30 at the Conference Center on the final day of camp. There are a few exceptions to this. Please check the website at www.thearkcm.org for those times.

What Should I Expect After Camp

Your child will be tired after you pick him/her up. Going home is a sudden change of pace. Campers are also leaving behind friends. Don't be offended if your child isn't as happy to see you as you are to see him/her. When your child is ready to talk about the experience, listen closely and ask open-ended questions to encourage your child to share. For example, you can ask your child to tell you about his/her favorite activity, favorite person, and what his/her most difficult time was.

How Can I Encourage Growth?

Whether your child made a decision to follow Christ while at THE ARK or not, your child needs to continue a growing process once at home. We encourage you to pray for and with your child. Help them find devotional material and teach them how to study the Bible so they can have a daily time with God. If your child isn't already connected with a local church, take this opportunity to find a church the whole family can attend. If there is any way THE ARK can help, please let us know.
